Go Live With FCBuzz At the Center for Contemporary Printmaking!

FAIRFIELD (March 29, 2011) – FCBuzz Goes Live, a collaborative project among several of Fairfield County’s best cultural organizations, is hosting an exhibition opening and reception on Thursday April 7 at the Center for Contemporary Printmaking, 299 West Avenue in Norwalk. Come enjoy the show, *Printed by Master Printers*, an exhibition that surveys recent prints from collaborative printmaking studios around the United States. The exhibition showcases the creative rapport that can exist between artist and printer, and the exciting and unexpected results that occur during the collaboration. The reception runs from 4-7pm, is free of charge and open to the public.

The process of working with skilled master printers has for centuries allowed artists the ability to experiment and realize their ideas in ways they would not otherwise have been able to do. The *Printed by Master Printers* exhibition demonstrates the tremendously important role of Master Printers in the advancement of printmaking. The exhibit will feature over 60 original prints by well-known artists Chuck Close, Tara Donovan, Carroll Dunham, Eric Fischl, Walton Ford, Helen Frankenthaler, Jasper Johns, Robert Kipniss, Nicola Lopez, Whitfield Lovell, Michael Mazur, Liliana Porter, Katia Santibanez, James Siena, and Richard Tuttle.
